## Safety Tips / Announcements

**Safety Tips To Protect You & Your Family**

# PACKAGE DELIVERIES

- **HAVE** packages shipped to your office or a friendly neighbor who is home during the day. Many delivery companies will provide status updates & will hold parcels at locations.
- **GIVE** the shipper specific instruction on where to put the package if you will not be home. Consider behind a fence or the hedge - this way the package is concealed.
- **REQUIRE** a signature on your package. Yes it is a pain, but your packages will be safe.

- **INSTALL** a video door bell system, they are affordable and easy to install. These systems monitor your home from anywhere and notify you when there is movement by your front door.
- **DOWNLOAD & JOIN** sites/ apps such as Nextdoor and Neighbors by Ring, which let you receive and post real-time crime and safety information.
- **REPORT** all suspicious activity to law enforcement.

*Stay alert and be aware of your surroundings.*
